

PPMTA Piano Concerto Literature Guide for November 17, 2018 Auditions

Below is a list of Piano Concertos which have been required by CSMTA for the Concerto Competition held at the state level.

Entrants do not need to choose a piece from this list. It is only provided to give teachers and students ideas of the level of music that is necessary for this competition. When choosing a piece, even if it is listed in the Junior or Senior Divisions below, please verify appropriateness with the CSYSA Music Director, Gary Nicholson prior to assigning it to your student. The elementary division repertoire is included only to give teachers an idea of a place to start when assigning students their first concerto. However, the music listed in this elementary division **will not be accepted** for the PPMTA Concerto Competition.
